

I am filing this report in response to your letter dated March 3, 2011 with the reference: Amended 30 day Post-General Report (10/1/2010-11/22/2010), received 12/02/2010. We reported \$2,230 in receipts identified as "Miscellaneous, Contributions under \$25". This money came from the sale of \$10 and \$15 mulligans at a golf tournament, which were to offset tournament expenses and which were mistakenly included as INN-PAC contributions. I will file another amended return to exclude these funds from INN-PAC receipts.
